Build Your Community

Dear Federal Friends and Colleagues,

I have worked for the U.S. Postal Service for over 30 years, initially sorting mail, and more recently as a Retail Programs Manager. I have been well compensated for a job that is sometimes interesting and sometimes mundane. This federal career has allowed me to create a life that is financially secure. I have a comfortable home in the finest part of this country. I have a wife, kids, grandkids and a dog that love me. I have enough food to eat and clean water to drink. Other than a bit of arthritis, I'm reasonably healthy. Life is good, and I try to remember to count my blessings every day.

Things could have been different. I was adopted at birth and given a wonderful upbringing by two loving parents. I've subsequently met my birth mother and she's a great person. However, if she hadn't given me up for adoption, my life would have been different – maybe better, maybe worse, maybe not at all. I certainly wouldn't be the same person I am today.

In a sense, we all enter this world as a community of one. Over time we are 'adopted' into other communities – our immediate and extended families, our friends, our neighborhoods, our schools, our churches, our region, our country and our world. There is no such thing as a fully 'self-made' man or woman. We are made up of thousands of others. Everyone who has ever done a kind deed for us, or spoken a word of encouragement, has entered into the make-up of our character and thoughts – as well as our successes. As Mary Chapin Carpenter has written, "Accident and inspiration lead us to our destination."

I contribute through the Combined Federal Campaign for two reasons. First, because many people in this world haven't been as fortunate as I have. Somewhere along the line the communities they depended on – their families, their local institutions, their governments – weren't strong enough or didn't care enough to deal with their situation.

The second reason I contribute, is that as a member of the federal community, the CFC is the something I can do about it.

Great opportunities to help others seldom come, but small ones surround us every day. We offer a friendly smile, or hold the door open for someone. Common courtesies that connect us with one another. You really want to see someone smile? Help find a cure for their son or daughter's cancer. Or help assure that when that cupboard door is opened, there's some food where there wasn't any before.

This CFC contributor's guide has over 2,000 'opportunities' to build your community and make your world a better place. I urge you to return a few of the blessings you've received with a contribution to the organization of your choice through this year's Combined Federal Campaign.

Your CFC Contribution at Work

Every dollar that you contribute makes a difference in communities locally, nationally and around the globe. For example:

- \$5/month** gives 12 round-trip van transportation rides to adult day care.
- \$7/month** gives food and shelter for the night to eight homeless people.
- \$8/month** funds a re-vegetation project along a local stream.
- \$15/month** provides three home visits by a nurse to a stroke victim.
- \$19/month** provides one night of protective services for 14 abused children.
- \$27/month** pays emergency care for one injured stray cat or dog.
- \$38/month** provides drug and alcohol abuse programs for 30 grade-school kids.
- \$40/ month** pays for the planting of 5 street trees in low-income neighborhoods.

Campaign Overhead Rate

6% in 2003

We are working harder to ensure that more of your contribution goes to the charities you choose to support. Last year the overhead rate to administer the local CFC fell for the third year in a row, to **6.0%**, one of the lowest rates in the country for a campaign of our size. This means 94 cents of every dollar you contribute goes directly to your charity of choice!

Your Generosity is Appreciated

Each contribution is important, no matter how large or small. Everyone who makes a check, cash or payroll deduction donation will receive the handsome Myron Excel Hunter Green pen shown below as a symbol of our thanks for your support of the charities that depend on the CFC. Ask your campaign coordinator about it when you turn in your pledge form!

Introduction to the CFC

Combined Federal Campaign (CFC) Mission

The mission of the CFC is to support and to promote philanthropy through a voluntary program that is employee-focused, cost-efficient and effective in providing all Federal employees the opportunity to improve the quality of life for all.

What is the CFC?

The CFC is the only authorized solicitation of employees in the Federal workplace on behalf of charitable organizations. It continues to be the largest and most successful workplace fundraising model in the world. With a tradition of commitment to the community through the selfless efforts of Federal employees, the CFC has its roots in the many charitable campaigns of the early 1960's. Seeing a need to bring the diversity of fundraising efforts under one umbrella, Federal employees created the CFC - one campaign, once a year. In 2003, Federal employees across the country raised more than \$249 million for charitable causes.

Structure of the CFC

The CFC is made up of local CFCs that raise funds in Federal workplaces across the country. Local charities that serve the local area or adjacent counties apply directly to the Local Federal Coordinating Committee (LFCC) - which serves as a "Board of Directors" of the local CFC. The LFCC is composed of Federal employees and representatives of labor unions with Federal employees as members. Decisions regarding the inclusion of charities in the local campaigns are made by the LFCC. LFCCs are also responsible for the oversight of the local CFC in conformance with the CFC regulations and policies established by the Office of Personnel Management. Local charities admitted to a CFC by the LFCC have met OPM requirements for local eligibility.

Every year, the LFCC selects one of the voluntary organizations involved in the CFC to serve as the Principal Combined Fund Organization (PCFO), whose job it is to manage the campaign and serve as fiscal agent. OPM sets strict requirements for this role. Annual audits are required of the PCFO by an independent CPA.

OPM is responsible for regulating the CFC and providing guidance and oversight nationwide. It reviews and provides guidance and technical advice on regulations, and has the authority to conduct compliance audits on any CFC local campaign fiscal records.

The CFC Brochure

This brochure consists of National, International, and Local organizations. National and International organizations are approved by OPM, and Local organizations are approved by the LFCC. All organizations participating in the campaign must meet strict public accountability criteria set forth in OPM regulations. Each organization's brochure information includes the following: organization's name and code number, statement of purpose, phone number, website address, legal name of the organization in parentheses if it is doing business under another name, the employer identification number (EIN), and its fundraising and administrative expenses as a percentage of total support and revenue. The EIN provides donors another point of reference for obtaining information about an organization's finances from the Internal Revenue Service (IRS) (1-877-829-5500). Please note that some organizations may be covered under an umbrella

organization's tax exemption status and may not list the EIN. Religious organizations are exempt from the requirement of having an EIN.

Under OPM regulations, if an organization's administrative and fundraising expenses exceed 25 percent of total support and revenue, it must certify that the expenses are reasonable under the circumstances and include a formal plan to reduce such expenses below 25 percent. Organizations with an asterisk following their administrative and fundraising expense percentage have expenses above the 25 percent level, and have provided OPM with a satisfactory explanation as to why the amount of expenses is reasonable under the circumstances and a plan to reduce these expenses below 25 percent. Because many circumstances can affect this rate, donors who may have questions are urged to contact the organization.

Interested donors may also obtain information about a charity's finances and compliance with charitable organization standards of accountability by contacting the Better Business Bureau's-Wise Giving Alliance (www.give.org). For general information about trends in giving and volunteering or data on the nonprofit sector, donors may contact:

USA Freedom Corps (<http://www.usafreedomcorps.gov/>), the National Center for Charitable Statistics (www.nccs.urban.org), or the American Association of Fundraising Counsel (www.aafrc.org).

Types of Organizations Listed

Organizations listed in the CFC brochure are either affiliated with a federation or are "unaffiliated". Federations are established for purposes of supplying common fundraising, administrative, and management services to its member organizations. Charitable organizations participating in the CFC as a member of a federation may pay dues or fees to that federation as a service charge. For additional information on a particular federation and any dues/fees paid by its members, either contact the federation, its members, or review the federation's annual report.

If you would like more information about the finances, services, benefits or programs an organization provides, you may contact the organization directly using the information provided with their listing in this brochure.

What are the costs of the campaign?

Last year, approximately 9.3% of the funds raised nationwide were spent on printing materials, training volunteers, auditing contributions, and other administrative expenses. All local campaign costs are reviewed and approved by the LFCC governing the local campaign. On average, this cost is low compared with other fundraising campaigns; therefore, every dollar you pledge goes a very long way toward helping others.

What is the payroll deduction option?

Payroll deduction makes it convenient for you to give by letting you spread your contribution across the entire year. Last year, more than 90% of all CFC funds raised were given through payroll deduction. Payments on payroll deduction pledges begin on the first pay period beginning in January and conclude with the last

Introduction to the CFC

pay period beginning in December. Because there is no simpler way for you to make good things happen for so many people, payroll deduction helps you care for your community and your world.

Can I specify which organization will receive my contribution?

By designating where your CFC contribution will go, you ensure that your donation goes to meet the needs that you feel are most important. You may designate the organizations of your choice where indicated on your pledge card. Additional designations must be completed on a second pledge card. Except for documented expenses for the operation of the local CFCs and uncollected pledges, all contributions are distributed as designated.

Please do not designate an organization that is not listed in this brochure. Adding organizations not listed, or "write-ins", is prohibited and donations to such organizations cannot be accepted by the CFC.

How do I designate a federation, or alternatively, one of its members, to receive my contribution?

If you wish to designate all or some portion of your contribution to a federation, please record that federation's corresponding code number on your pledge card. The federation name will be listed at the top of the list of the federation's member organizations. Contributions designated to a federation will be shared in accordance with the federation's policy. If you wish to designate all or some portion of your contribution to a federation member organization, please record that organization's corresponding code number on your pledge card.

How do I designate an unaffiliated organization to receive my contribution?

You may wish to designate to a specific organization or organizations not affiliated with a federation (unaffiliated organizations). If you wish to designate all or some portion of your contribution to an unaffiliated organization, please record that organization's corresponding code number on your pledge card.

What if I choose not to specify an organization to receive my CFC contribution?

All funds contributed to the CFC that are not designated to a specific organization or federation will be distributed to all organizations listed in the CFC brochure in the same proportion as

they received designations. Organizations that do not receive designated dollars cannot receive any donations.

International General Designation Option

If you wish to have your contribution distributed proportionately among all international organizations that received designated gifts, you may do so by recording the letters IIII on your pledge card.

Do I have to give through the CFC?

No. Participation in the CFC is strictly voluntary.

Coercion is forbidden. You have the right not to be improperly influenced regarding your decision to give or not to give through the CFC. Practices not permitted include, but are not limited to: supervisory solicitation of employees supervised, setting of 100% participation goals, providing and using contributor lists for purposes other than the routine collection and forwarding of contributions and installment pledges, establishing personal dollar goals and quotas, and developing and using lists of non-contributors.

If you prefer, you may donate to the CFC anonymously by placing your confidential gift in a sealed envelope.

Civilian employees may register complaints about coercion with the LFCC and contact their personnel offices; military personnel should contact their commanding officers.

Will I receive a receipt for my contribution?

Donors may keep a copy of their pledge card as a receipt of their pledge. A Federal employee who makes a one-time (cash, check, or money order) contribution of \$250 or more and those who make a payroll deduction contribution of \$250 or more per pay period to a single organization in the CFC should consult a tax adviser to determine if additional verification of the donation is required by the IRS. Such verification can be obtained by contacting the local CFC office.
